STOVER ♦ MO.

PLANT IND. SOILS & AGL. ENG.

U S Dept of agriculture
Washington D.C.

Dear folks: about 6 weeks ago the Dept called
for my publication for 1948.

I didn't have my 1948 offering printed at the
time, am forwarding a few copies
This is the wholesale list, and since I have
received numerous inquiries of where you
had referred certain buyers to me. Thanks
a million for this and the following
I consider one of the Best offers in America
Today, and perhaps cannot offer it after
1948

100 Waterlily plants Blooming
Size divisions, 8 varieties
They will not be labeled at
this price, but the varieties that
make up this list will be
Rose aroy, Rose Magnolia, Shaw
J. Richardson O Minor, P. Opal
Wilson Gigantea, a conservation
Pond planted to this list would
really be a thing of Beauty
over

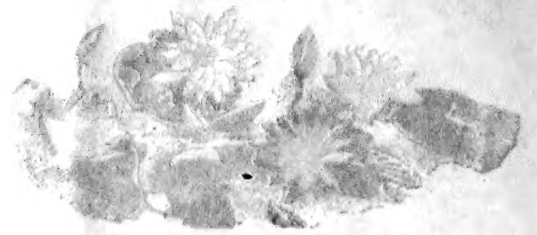

Beautiful America
This list if bought
singly at retail prices
would cost \$200 to \$250

Please refer to proper place
